Trainer/Supervisor during week-long football camps

## PROJECTS

### **Maintenance Logger** — *Web App with Vuejs and Firebase*

<https://maintenancelogger.firebaseio.com>

This is a personal project I made this summer (2017). Here users can register an account, add whichever vehicles they own and start tracking the maintenances for each vehicle.

## SKILLS

### **Very good:**

Java, Spring MVC, JSP,  
JavaScript, Vuejs, HTML, CSS,  
postgreSQL

### **Used before:**

C#, .Net MVC, React, React  
Native, Angular 2, MySQL

### **Tools:**

Git, maven, Jenkins, npm,  
yarn

### **Methodologies:**

AGILE, sprints, scrum

## LANGUAGES

Dutch: mother tongue

English: fluent

French: conversational

German: basic
